MUST include: Current photo and Essay outlining project/journey abroad that needs funding, including answers to the following questions:

1. What do you hope to accomplish abroad?
2. Why is this important to you?
3. What will this project do for you?
4. Planned travel itinerary
5. Estimated funds necessary to complete project
6. Is your plan/project feasible, realistic???

A prize of \$5,000.00 will be awarded per student, and two students per academic year will be selected. The winners of the scholarships will have what the selection committee believes to be **unique and under-explored ideas** in less developed parts of the world. Some applicants might be subject to an interview, before final winners are chosen.

Once the travel project is completed, winners are **required** to submit an informative report describing their experience and what they learned; this may take the form of a video or photo montage, with an essay. Also, a presentation will be made to your peers at your College, **within 6 months of project completion**. Failure to comply with the Scholarship rules will result in a forfeit, with the full amount being reimbursed back to the Foundation.
